

Medical Team Specialist Qualifications and Conflicts of Interest

Name: Luís Costa

Qualifications

Luís Costa is currently a Medical Manager at Tonic App, after eight and a half years of work experience in the Portuguese National Health System as a physician. He is a certified Medical Doctor, by Faculdade de Medicina do Porto, and a Board-certified Family Physician since 2017. He has since completed a doctorate course in Health Data Science in the specialty of Intelligent Health Data Analysis (60 ECTS Credits).

Currently he serves as a Reviewer of evidence-based reviews submitted to AIMGFZN Magazine, a medical journal indexed in Índice das Revistas Médicas Portuguesas. Formerly, he has served as a collaborator at the Department of Interns and Young Family Doctors of the Portuguese Association of Family Medicine and as an Executive board member of the European Young Family Doctors Movement. He has also been the president of the scientific committee for one of the yearly conferences of the European Young Family Doctors Movement. He is the author of nine published papers and has co-authored two chapters in published books.

Luis was also the co-founder of a global digital network of Family Medicine Doctors and of a web-based international Balint discussion group, as well as a member of a task force at the inception of the research Network of Functional Sentinel Units by the Portuguese National Association of Family Health Units.
